Radio Stations Quiet For SLU-Tech Game

Through a mutual agreement between the Athletic Department of Clarkson and St. Lawrence, there will be no play-by-play broadcast of this afternoon's game between Clarkson and St. Lawrence at Snell Field. This agreement has been in effect for a number of years and is designed to eliminate any conditions which might serve to cut down on the crowd attending the contest.

Next week, WNTC will once again broadcast a play-by-play account of Clarkson football. Murray Mintz, Ted Ackley, and Pete Purdy will describe the game with Rensselaer Polytechnic Institute.
